understood that acceptance of Marketplace Member's work by the County shall not operate as a waiver or release.

- 8.2 Status of Marketplace Member. The parties intend that Marketplace Member, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Marketplace Member is not to be considered an agent or employee of the County and is not entitled to participate in any pension plan, worker's compensation plan, insurance, bonus, employment protection, or similar benefits the County provides its employees.
- 8.3 Conflict of Interest. Marketplace Member covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Marketplace Member further covenants that in the performance of this Agreement no person having any such interests shall be employed.

"Commercially reasonable" includes not only the conduct of a party with respect to

performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case, is a repudiation of this Agreement. Acceptance of any improper delivery, conduct, or service does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Section 5, Termination.

10 Assignment and Delegation. Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented; provided however, that Marketplace Member may assign this Agreement in connection with a merger or the sale of all or substantially all of its assets or equity ownership without the prior written consent of the County provided that the successor expressly assumes all of the obligations, including this Agreement, and confirms all of the representations, warranties and covenants of Marketplace Member hereunder.
